# eBooks at EBSCOhost: Shorter's Collection of Electronic Books

**eBooks at EBSCOhost** is Shorter University's collection of over 56,000 electronic books (eBooks). These are complete electronic reprints of books previously published in paper that may be browsed and read online.

eBooks are listed in Shorter's library catalog just like any other book. They have the words **"computer file" or "electronic resource"** in brackets after the main title to distinguish them from their print counterparts. The book record for these items has an extra field, labeled **"Electronic Location and Access,"** which contains a **link** to the full text of the book.

America goes to war [electronic resource] : the Civil War and its meaning in American culture, Bruce Catton.

The book's **table of contents** will appear in the left viewing pane. To navigate to a particular chapter, simply click on its blue-highlighted title.

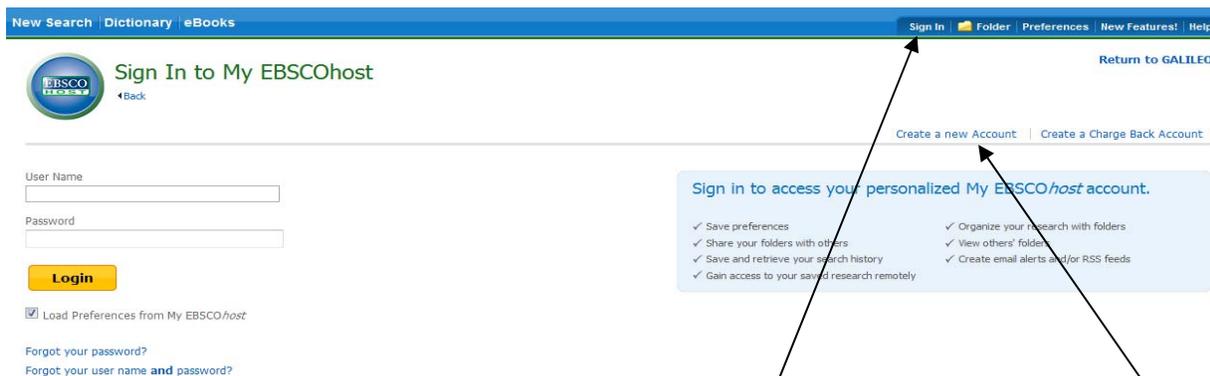

A particular page may be reached by entering its number in the **text box** at the bottom of the screen. Pages may be "turned" back and forth by using the directional arrows buttons on either side of this box.

**Off-Campus Access**

To access the eBook collection off-campus, you will need to create a free account. Follow the steps below to establish your account from an off-campus location. If you are using a campus computer, go to **http://www.netlibrary.com** and begin at step 4.

1. Go to the Galileo homepage at **www.galileo.usg.edu**. You will need to sign on with your Galileo password.
2. Click on the **Databases A-Z** tab near the top of the page.
3. Click the letter **"E"** on the navigation bar, then scroll down to the eBooks at EBSCOhost link and click on it.

4. At the eBooks at EBSCOhost page, click the **"Sign In"** tab, then choose the **"Create a New Account"** link. Fill out the form on the next page to establish your free account.
